

Japan's Friendship Ties Program "MIRAI" 2024/2025 Application Guidelines (Visiting Japan Program)

1. Overview

Japan's Friendship Ties Program "MIRAI" (**M**utual understanding, **I**ntellectual **R**elations and **A**cademic Exchange **I**nitiative) invites groups of promising young leaders from Europe, Central Asia and the Caucasus who study **D**iplomacy, **S**ecurity **P**olicies, **E**conomics, **S**cience and **T**echnology, **A**rts and **C**ulture, **I**nternational **R**elations, **E**nvironmental **S**ciences, **SDGs** related studies, **A**sian **S**tudies, **J**apan **S**tudies or other related fields, and also who are expected to play an active role in international society and provides opportunities to have intellectual exchanges with Japanese students of the same generations and scholars. This program is entitled as the "MIRAI" with the Japanese word MIRAI (pronounce like / "me-rye") which means "Future".

2. Objectives

The program aims to deepen participants' understanding of Japan and its policy, to promote mutual understanding, and thus build a basis for future friendship and cooperation between Japan and their regions. Ministry of Foreign Affairs (MOFA) hopes that the program would offer a great opportunity to

- (1) Promote a deeper understanding of Japan's economy, society, history, diverse cultures, politics, and diplomatic relations among participants,
- (2) Foster supporters and experts of Japan,
- (3) Strengthen public relations through proactive dissemination of Japan's diplomatic policy and attractive points by participants,
- (4) Strengthen relations between Japan and the participants' regions, and build a basis for future friendship and cooperation

3. Program Overview

- (1) Themes and duration of each group

Group #	Theme	Program term in Japan	# of Participants
1	Peacebuilding	Dec 4 – Dec 10, 2024	14
2	Diplomacy and Security Policy	Nov 6 – Nov 12, 2024	15

5. Mandatory Assignments for All Participants

Each participant must implement all the requirements from (1) to (3).

(1) Presentation and implementation of your action plan

Participants are required to make action plans about what they learned in this program and how they might stay connected to Japan after returning to their home country and report their implementation to JICE. Participants will wrap up their findings in Japan and each group will present action plans in the reporting session. The contents of the presentation will be collected from consultation with all participants during the workshop.

Each member will implement the action plan within 3 months after returning to their countries, and send an After-Action Report (AAR) on their implementation to JICE through an online submission link. If it is difficult to implement the action plan in 3 months, (e.g. Writing graduate/research thesis including this program experience, work/study in Japan, and in other comparatively medium- or long-term situations), please report the reason and expected implementation schedule to the Japan International Cooperation Center (JICE), an implementing agency of the MIRAI Program within 3 months.

(2) Share Experiences through social media

Each participant will actively share their one's experience during both the online pre-exchange program and the stay in Japan as well as convey information about Japan including one regarding Japanese society, history, culture, politics, economics, and diplomatic relations through social media such as Facebook, Twitter, Instagram, YouTube, and so on, during both the program and within 3 months after the program.

(3) Responding to questionnaires

Participants will submit answers to online questionnaires (after the online pre-exchange program, during the program in Japan, and after 3 months) to JICE on time. The survey link will be sent to their email address.

* MIRAI is one of the people-to people exchange programs promoted and 100% backed by the Japanese government. Please contribute to the program with your inputs through your action plans and reporting so we can assure the effectiveness of the program into the future.

6. Required application documents and Deadline for Application

Required application documents

(1) **Valid passport copy**

The applicant must upload a copy of the photo page of their passport (color or black and white). The copy should be clear, complete and large enough to find everything on the page legible. If the applicant does not have a passport that is valid during the period of the program, the applicant must immediately extend the validity period of the passport and submits its copy by no later than one month prior to the program date.

(2) **“Letter of Understanding”** (Please see the Annex 1)

The applicant must read carefully the conditions described in the “Letter of Understanding” before applying for the program. The applicant must sign it and upload the documents of all pages. (not the signed page only)

(3) **“Handling of Personal Information and the General Data Protection Regulation (GDPR) Privacy Policy”** (Please see the Annex 2 and Annex 3)

The applicant must read “Handling of Personal Information and the General Data Protection Regulation (GDPR) Privacy Policy” before applying for the program. The applicant must sign it and upload the documents.

Personal information obtained in “MIRAI” shall be treated in compliance with the Personal Information Protection Law and the General Data Protection Regulation (GDPR). JICE ensures the appropriate handling of personal information. JICE may provide personal information to travel agencies, publishers, cooperative organizations, schools, host families, and so on in order to operate and report the program by means of post, fax or email. Personal information will not be used for any purposes other than operating and reporting on the program.

(4) **“Academic Transcript” or “Certificate of Enrolment”**

The applicant must upload either “Academic transcript” or “Certificate of enrolment” from their university/graduate school. Young professionals are not required to submit above-mentioned document.

(5) **A Headshot**

The applicant must upload a photo taken within three months.

*Any costs for vaccinations, PCR tests and/or other medical documents are not covered by the program.

(2) Cancellation Policy

If a participant chooses to cancel the participation in the program due to any reason other than a medical emergency or other unavoidable circumstances, the participant shall be fully responsible for any costs associated with this cancellation. The cancellation fees will be charged to the participant if their application have already been accepted and the flight and/or other bookings are completed.

In the event of cancellation due to a medical emergency or other unavoidable circumstances, cancellation fees may be waived upon presentation of a relevant certificate or evidence requested by JICE.

(3) The following are NOT permitted.

- To come early to Japan before the program or remain in Japan after the program
- To take a different flight designated one by the program
- To change accommodation (hotel or room assignment) designated by the program
- To skip any elements of the official program, including scheduled meals or visits, for personal or business reasons such as meetings with relatives, friends, business partners in Japan, etc.
- To be accompanied by someone else
- To travel to a third country on the way to Japan or back to home

(4) Conditions in Japan

- All participants, including supervisors, must attend all scheduled programs and follow the rules/guidelines/directions given by JICE.
- Participants who are disruptive to the program may be dismissed and are responsible for leaving Japan at their own expense.
- ① 2-3 participants each will stay in a twin or triple room at the hotel., except for the chaperon. It depends on various conditions. / ② Each participant will stay in a single room.
- When requested, JICE will try to arrange the following* for religious reasons. However, JICE cannot guarantee their availability in all locations.
 - *time and place for prayers
 - *meals suitable for food restriction for religious reasons

(5) Photos/videos taken during the program

The participant agrees to grant permission to JICE and organizations participating in the program to use their voice and likeness in any writings, photographs, films, and recordings collected during the program. The participant authorizes the publication of, for all purposes, their name, pictures in film or electronic (video) form, sound and video recordings of their voice, and printed and electronic copy of the above in any and all media including, without limitation, cable and broadcast television, the internet, and the brochures and other print media for promotion, advertising, meetings, or educational conferences. This permission extends to all languages, media, or formats now or hereafter devised and shall continue forever unless the participant revokes the permission in writing to JICE.

(6) Japanese Laws and Regulations

The participant must observe the laws and regulations of Japan. Offenders are subject to penalties under Japanese law. Any dispute arising out of the application for, or participation in, or anything relating to, the program between a participant and the Japanese government or JICE should be governed by and construed in accordance with the laws of Japan, without regard to the principles of conflict of laws, and should be subject to the exclusive jurisdiction of the applicable courts in Japan.

(7) Attribution of responsibility during the program

The participant agrees to release JICE (including its employees and agents) of and from any and all claims, demands, damages, losses, liabilities and expenses including, without limitation, reasonable attorneys' fees and expenses (collectively, "Claims") arising from or relating to the participant's participation in the program, provided, however, that the release shall not apply to any claims related to or arising from JICE's gross negligence, bad faith or wilful misconduct. The participant agrees to indemnify JICE (including its employees and agents), and hold it harmless, from any and all claims arising from or relating to the participant's violation of Japanese laws or regulations or breach of the terms and conditions of this Application Guidelines.

(8) Post-Program Activities and Questionnaires

The participant is required to share their experiences and discoveries about Japan and its attractiveness as a destination for travel, study, or work with their family, relatives, friends, and peers at school or in their communities by delivering presentations, publishing their writings, or posting their photos and text on social or other media. The participant will be asked to complete a questionnaire and submit the report of their post-program activities to JICE via an online submission form link sent to their email address three months after the program. They will be also requested to

stay connected with Japan and Japanese people through the online community sites of the Ministry of Foreign Affairs of Japan (MOFA)* and JICE**.
